

EU Declaration of Conformity

Manufacturer: **RIEGL** Laser Measurement Systems GmbH

Address: Riedenburgstraße 48, 3580 Horn, Austria

Tel. +43 2982 4211, E-mail: office@riegl.co.at

The manufacturer declares under his sole responsibility that the product(s) of type:

AP-RBLI 2903

including the options mentioned in the user's manual meet(s) the regulations of the applicable directives:

2011/65/EU (Restriction of Hazardous Substances, RoHS)

OJ L 174/88 1.7.2011, as amended by
OJ L 185 24.7.2023

2014/30/EU (Electromagnetic compatibility directive, EMC)

OJ L 096 29.3.2014, as amended by
OJ L 212 22.8.2018

2023/1542 Regulation concerning batteries and waste batteries

OJ L 191 28.7.2023, as amended by
OJ L 90256 23.04.2024

based on the following European harmonized standards and technical specifications:

EN 61326-1:2013

EN 62133-2:2017

EN IEC 63000:2018

Horn, February 10th, 2026

Siegfried Gruber, MSc

Product Compliance Officer

Dr. Martin Pfennighauer
Technical Director (CTO)

This declaration certifies the accordance with the listed directives; however it does not imply any assurance of specific properties. The safety hints as given in the user's manual are to be observed. This EU Declaration of Conformity may be forwarded to third parties unchanged only. Extractions or modifications require the written authorization of **RIEGL** Laser Measurement Systems GmbH. Unsigned declarations of conformity are not valid. Any changes of modifications of the instrument or its accessories not expressly approved by **RIEGL** Laser Measurement Systems GmbH as well as any non-observance of the directions for installation may cause harmful interferences and void the authorization to operate the equipment.
